Watch In silicon brooch

Stylish and smooth watch with silicone cover which makes it easy to keep clean. It is easy to split the watch from it's shell for cleaning - and just as easy to change the color of the shell.

This waterproof nursing watch attached with pin on the back. The clockwork from Miyota and the material is of stainless steel. Silicone skin is orange and luminous hands makes it easy to read the time even in the dark. Watch diameter is 33 mm and we give 1 year warranty on the clock. Cool design with clear numerals and with second hand. This nursing watch is very helpful for anyone who works in health care. Equally perfect for the nurse as for the doctor. The watch comes in different colors.
